

Awards and Recognition committee meeting

March 22, 2017 at 7pm Justice center

Committee Members at this meeting were: Deb Myers, Connie Heimann, Roxanne Paul, Christina Johnson and Sharon Blohowiak. Youth at this meeting was Maylee Brauer.

Meeting was called to order by Chairperson Deb Myers at 7pm.

The committee looked over the secretary's notes from the past meeting and the committee approved them as read.

Old business

- Committee quickly went over the budget and agreed that the budget can be submitted by Briget Nusbaum.
- Connie and Christina are to pick dates for the workshop and have them in by April 13. The committee wants the dates in the next Alphorn. Also, Connie and Christina are to have information on what will be covered at the workshop, and if anything needs to be printed, they are to ask if someone for the UW-Extension office can print it or print it themselves.
- Christina did find out the cost for pins for secretary and historian. The cost will be \$4.25 if we go with Monroe Engraving, Inc. If we go with 4-H mall it would be \$4.50. Monroe Engraving is willing to do color in the pins for no extra cost. Christina made a motion to go with Monroe Engraving and Connie seconded that motion. Motion was passed by all.

New Business

- Committee talked about the volunteer of 4-H awards. In the past, we give them a photo frame and certificate. We didn't know if we should also give them something else. The committee talked about it and we will still do the photo frame and certificate for now. This motion was made by Christina and seconded by Sharon.
- Committee also talked about the graduate gifts. We need to think about how we should do this. Should we just do the 4-Her's that are gradating from 4-H or should we just do the high school grads. Roxanne made the motion to only do the high school grads and Sharon seconded that motion. Motion was passed by all.

Other business

- Deb brought to our attention that we need to have two youth on the committee, and these youth need to be from different clubs. Also, we need to have just the committee members at these meetings. Our meetings need to be an hour to hour and a half. We also need to meet no more than 4 times a year.

Items to talk about at next meeting

- We will talk about the pens for graduate gifts. The pens are \$3.50 for 50 pens. We can order a \$0.05 case (cardboard) or \$.75 for a nice pen case. We then will have Monroe Engraving engrave the youth's name.
- Also we will talk about what we need to do for the awards that we are giving out at fair.

Next meeting will be June 14 at 7pm at the Green County Justice Center.

Deb Myers called for a motion to adjourn the meeting, Roxanne made the motion and Connie seconded the motion.

Meeting was adjourned at 7:24pm

Respectfully submitted by Christina Johnson, Awards and Recognition Secretary
