Older Youth Opportunities & Recognition Application Process:

It's All about Life Skills!

The Green County 4-H program uses an application and interview process to support you in building life skills as you pursue extraordinary 4-H opportunities and recognitions. These are the components of the process and the life skills on which they focus:

Part 1: You must complete a cover letter, resume, and essay and collect a recommendation letter to submit as a written application. You must use **goal setting** skills as you identify which recognitions and opportunities you wish to apply for. You must also use **self-discipline** to prepare the materials and ensure they are submitted on time. Working on the written application materials builds **record keeping** and **communication** skills while simultaneously preparing you for the workforce. You will need to write about your 4-H experiences in a way that highlights the practical skills you have developed. 4-H adult volunteers will review the written application materials.

Part 2: Youth applicants participate in an interview with a small panel made up of 4-H adult volunteers, representatives from businesses and organizations from throughout Green County, and friends of 4-H. In the interview setting, you will practice **communication** and **social skills** as you talk about your 4-H experiences in a way that is understandable to people both within and outside of the organization. You will also use your **critical thinking** skills as you formulate appropriate answers to interview questions.

Part 3: You will receive notification about whether or not you were selected for an award or scholarship opportunity. You can build **resiliency** and **character** as you receive feedback on what you did well and what you could improve on if you were to apply again.

TIPS FOR COMPOSING YOUR COVER LETTER & RESUME

- Use a computer. You can save your work and make revisions from year to year. If you do not have a computer at home, work with your school, a friend, or a local public library. The cover letter, resume, and essay questions **must** be typed with a computer.
- Plan ahead. Go through each part of the resume and cover letter before typing. Collect your thoughts, and use the guide materials in this packet. Translate your skills into action oriented, concise descriptions. As much as possible, think of your 4-H experience as a job. What do you do? What skills have you developed as a result of participation in 4-H? How have you personally changed as a result of your 4-H experience?
- Order is important. Resumes are typically put together by organizing information in the order that it happened. Arrange information in reverse chronological order (most recent first) within the sections designated in the examples in this packet.
- Consider layout, design, and abbreviations. Your cover letter and resume should be easy to read and understand. Arrange your resume as illustrated in the sample copy provided.
 - Choose a common and professional font, such as Arial or Times New Roman. Your font size should be no less than 11 point and no larger than 12 point. Use the same font throughout your application documents.
 - Use between .5" and 1" margins at the top, bottom, and both sides of your page.
 - Avoid using too many abbreviations, as not everyone is familiar with them. If you do use an abbreviation, please include what it means in parentheses after the abbreviation the first time it is used in the resume.
- The cover letter may be no longer than one page.
 - **WI 4-H Youth Conference Applicants:** Short and concise letters are encouraged! Don't make this overly hard on yourselves; the first and last paragraph can be as short as just 1-2 sentences.
 - **Award & College Scholarship Applicants:** Write this letter as you would for a job application, specifying what award and/or scholarship(s) for which you wish to be considered and why you are qualified.
- Your resume may be one to two pages long, but no more than two pages.
- Individualize it. This is YOUR resume and cover letter. Add your own personality to it.
- Proofread it. Your documents should be free of spelling and grammatical errors. Use spell check and follow up by having at least two other people proofread your cover letter, resume, and essay response. This is where many people have minor mistakes! Don't lose points in the process by
- Ask for help if you need it! If you have never gone through this process, you will probably have questions. Don't hesitate to ask! Ellen's office number is (608) 328-9440 and her email is ellen.andrews@ces.uwex.edu. If it's after office hours, leave a message with a time that

will be good for Ellen to get in touch with you. Make sure to ask questions or get clarification if you don't understand something.

SAMPLE COVER LETTER

October 10, 2014

Green County 4-H Program
UW-Extension Green County
2841 – 6th Street
Monroe, WI 53566

Dear Selection Committee:

It is my pleasure to submit my resume and essay response to be considered as a delegate for Wisconsin 4-H Youth Conference.

This is my seventh year as a 4-H member. I have been very active with my projects and as a member in my club, Lucky Clovers. My enclosed resume highlights my 4-H involvement. Participation in county programs including Wild Wacky Day Camps and Friends Helping Friends has made me interested in attending Wisconsin 4-H and Youth Conference.

Last year I became involved as a county Cloverbud project youth leader. I had to learn to work as part of a planning team to get ready for a program. One of my jobs was preparing packets of craft project materials before a meeting and then teaching the craft to Cloverbuds. This was a chance for me to use my organizational and leadership skills. Other 4-H members who attended Wisconsin 4-H and Youth Conference told me about the opportunity to take youth leadership seminars. If I got to attend I would do a good job representing Green County and would use the leadership skills and project ideas from these seminars in my club and in the county Cloverbud project.

Thank you for considering my application. I look forward to speaking with you during the interview.

Sincerely,

Chris Clover
