

Green County 4-H Food Pantry Challenge – Sponsored by Dayton Dairylanders 4-H Club

The challenge will run from **Feb-April 2017**.

Goal of the Challenge: Be the club with the highest pound/member ratio. The winning club will get an ice cream sundae bar (from Dayton Dairylanders 4-H club).

Clubs need to provide the following info to Chris & Brenna Meier (chrisandbob.meier@gmail.com) by Monday, February 6th:

- # of members in the club
- The pantry locations that the club will donate to by month to help determine if there's an even distribution of food
- Club contact person, email, and phone number for questions

To participate:

- Collect food and weigh the total each month
- Submit the number of pounds collected by email by the last Friday of the month to Chris
- Take food to the pantry of your choice for one or all months. Green County Cares is a good alternative to local village pantries.
- The winning club will be announced the first week in May.
